

Acceptance Letter

Dear Guangrui Xu, Xiaoyu Shen,

We are pleased to inform you that your paper, (Paper ID: ICIAAI2641)

Explainable Biomarker Discovery in Hepatocellular Carcinoma: an XGBoost and SHAP Framework

has passed the peer review, and has been ACCEPTED by 2026 4th International Conference on Image, Algorithms, and Artificial Intelligence (ICIAAI 2026).

2026 4th International Conference on Image, Algorithms, and Artificial Intelligence (ICIAAI 2026) will be hosted in Singapore(Online Participation is acceptable), during May 22–24, 2026. ICIAAI2026 will bring together researchers, scientists, and industry experts to discuss groundbreaking advancements in image processing, algorithmic development, and artificial intelligence. It offers a dynamic platform for exchanging ideas, forming partnerships, and exploring emerging research in AI.

Accepted papers will be published in the conference proceedings.

Thank you for your contribution to the conference, wish you all the best.

Sincerely,

2026 4th International Conference on Image, Algorithms, and Artificial Intelligence (ICIAAI 2026)
May 22–24, 2026
